BOLD VISION

TRUSTEES' REPORT

FOR THE YEAR ENDED 30 SEPTEMBER 2011

The trustees present their report and accounts for the year ended 30 September 2011.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charity's constitution, the Companies Act 2006 and the Statement of Recommended Practice, "Accounting and Reporting by Charities", issued in March 2005.

Structure, governance and management

The Charity is a company limited by guarantee.

The trustees, who are also the directors for the purpose of company law, and who served during the year were:

John Knepler

Stephen Carrick-Davies

Maxine Ostwald

(Resigned 5 July 2011)

Catherine Shovlin

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

There are three directors/trustees of Bold Vision and a voluntary management team including these three plus an additional eight individuals who bring a range of skills and experience to the project. Meetings are open and dates are published on the Bold Vision website as are the minutes of these meetings. In addition there are several action teams, each led by a member of the management team. These include Design, Communications, Fundraising and Social Inclusion.

The trustees have assessed the major risks to which the Charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Objectives and activities

The Bold Vision Charity's objects are to further or benefit the residents of Telegraph Hill and surrounding areas of south London, without distinction of sex, sexual orientation, race or of political, religious or other opinions, by associating together the said residents and the local authorities, voluntary and other organisations in a common effort to advance education and to provide facilities in the interests of social welfare for recreation leisure time occupation with the objective of improving the conditions of life for the residents. The policy adopted in furtherance of these objects is to provide a community cafe and to support further community projects which help meet our aims.

During the year Bold Vision has been highly successful in completing the first and second phases of its initial project -- the community cafe -- the Hill Station. This work has continued to involve the volunteer trustees and management group members embarking in developing fundraising, mobilising volunteers to contribute to the building project through 'sweat equity' and employing professional building contractors to work on transforming the previously derelict undercroft area of Telegraph Hill Centre into a vibrant cafe, exhibition and meeting space. Having completed the first phase of this work in 2010, the second phase of installing a proper accessible toilet and building an outside decking seating area has been completed.

BOLD VISION

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2011

The Community Cafe, which has now been operating all year, now employs three people (FTE) and has made a very important contribution to improving the social welfare and conditions of life for the residents. Indeed it is now a local 'hub' for charitable events and projects which use the space.

In addition to this activity during 2010/11 Bold Vision has also supported a number of 'incubator' projects whereby local people have developed a variety of projects which we have helped manage, fundraise for and support our charitable objectives. These projects have included:

- * The Common Growth Community Food growing project on Sandbourne Road
- * The McMillan House playground project on Arica Road
- * The New Cross People's Volunteer library on New Cross Road.

Each of these projects have an individual 'champion' Director of the BV charity to ensure that these projects which we run in partnership with local people are properly supported and meet our overall charitable objectives.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Charity should undertake.

Activities included:

- continuing the successful fundraising campaign so we could not only complete Phase II of the Hill Station cafe but also to embark on Phase III to be completed in the current financial year. The work involved continuing to successfully fundraise from local residents to become 'Bold Backers', and making successful applications to Lewisham Social Enterprise Fund (£10,000) and The Garfield Weston Foundation (£10,000).
- successfully supporting and nurturing 3 'incubator' projects (see above) and raising funds and profile for these projects so that they can eventually become self-sufficient.
- the running of community fundraising and information events including a Community Pantomime, Magic show, classical concert, a 'Big Lunch' event and a Revue night. All of these attracted not only large numbers from the community and showcased local talent, but equally importantly raised funds for the charity.
- work party days with local volunteers coming together to help build the cafe and also run events such as the Big Lunch
- ensuring that all building work complied with building regulations, planning permission, health and safety and insurance liability
- the design, printing and circulation of a further newsletter (6,000 copies) for local residents giving news and information about the success of the project. Other communications projects included updating the charity website (www.boldvision.org.uk) and a regular e-newsletter which were circulated to all on the charity's mailing list.

Achievements and performance

The trustees report that the first and second phases of the cafe opened on time and have ensured that the cafe continues to provide a social focal point for the community. As the cafe becomes more popular the manager of the cafe is forecasting a small profit which, as agreed in his service contract, will result in a donation to the charity.

We finish the year with a portfolio of activities and projects and a healthy financial balance which will allow the charity to continue to successfully meet its objectives.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2011

Financial review

The income and expenditure for the year and the financial position at the end of the year are summarised in the attached accounts. Income during the year came from a combination of individual donations from members of the community (Bold Backers), grant funding and events. We were grateful to receive substantial grants from The London Borough of Lewisham's Social Enterprise Fund (£10,000), The Garfield Weston Foundation (£10,000) and the Telegraph Hill Arts Festival (£1,500). In addition Common Growth received grants from Lewisham Council. Fundraising events raised nearly £6,000.

Costs incurred were principally in relation to the refurbishment and equipping of the Hill Station cafe as well as expenses associated with establishing the Common Growth community garden.

Other 'incubator' projects did not have a material impact on the financial results.

At the end of the year there was a cash surplus of £21,711. This is mostly earmarked for the next phase of the expansion of the Hill Station.

The trustees consider that this represents a very successful second year in existence which consolidates and builds upon its start-up year. In particular, Bold Vision has sufficient resources to embark on its next phase of development, in line with its objectives.

It is the policy of the Charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

On behalf of the board of trustees

John Knepler

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF BOLD VISION

I report on the accounts of the Charity for the year ended 30 September 2011, which are set out on pages 5 to 11.

Respective responsibilities of trustees and examiner

The trustees, who are also the directors of Bold Vision for the purposes of company law, are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 43(2) of the Charities Act 1993, the 1993 Act, and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- (i) examine the accounts under section 43 of the 1993 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 43(7)(b) of the 1993 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - (ii) to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities;have not been met; or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

BOLD VISION

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 30 SEPTEMBER 2011

1 Accounting policies

1.1 Basis of preparation

The accounts have been prepared under the historical cost convention.

The accounts have been prepared in accordance with applicable accounting standards, the Statement of Recommended Practice, "Accounting and Reporting by Charities", issued in March 2005 and the Companies Act 2006.

1.2 Incoming resources

Donations, legacies and other forms of voluntary income are recognised as incoming resources when received, except insofar as they are incapable of financial measurement. The value of any voluntary help received is not included in the accounts but is described in the separate trustees' annual report.

Grant income is credited in the accounts when the charity has unconditional entitlement to receive the income.

1.3 Resources expended

Expenditure is recognised in the accounts at the time when the charity incurs a legal or constructive obligation to make payment.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Leasehold property	10% p.a. on cost
Fixtures, fittings & equipment	20% p.a. on cost

No depreciation is provided until assets have been brought into functional use. Assets costing less than £500 are not generally capitalised, but treated in full as expenditure in the year of purchase.

1.5 Accumulated funds

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts.
